Prices

All prices are list price, effective with date printed on cover, and supersedes all other published price lists. Orders within the 48 contiguous United States will be assessed a freight charge based on a percentage of the total list price, or a flat rate of \$300, whichever is greater. A minimum charge of \$400 will apply to all shipments to Canada. Fees will be calculated using the zone map located on page 461. Normal delivery is on a dock-to-dock basis. Additional charges may apply on special requests noted on the customer's purchase order such as inside delivery, "call before," etc. Versteel reserves the right to change prices, shipping fees, or specifications without prior notice. Orders are accepted subject to price prevailing at time of shipment.

Acknowledgement

Orders are accepted, manufactured, and invoiced in accordance with the acknowledgement. Notify Versteel immediately of any discrepancies. Acknowledged orders may not be cancelled or modified without written consent from Versteel.

Orders

All orders must be received in writing, accompanied by final material and finish specifications for order entry.

Contact Versteel

Telephone	800 876 2120
	812 634 2120
Fax	812 482 9318

Mailing Address

Versteel
2332 Cathy Lane
Jasper, IN 47546

Faxed orders are accepted. Duplicate orders that are received by mail (after having been faxed) and not marked "Confirmation" are the responsibility of the customer.

Telephone orders must be confirmed in writing within 24 hours, marked "Confirmation." Duplicate orders not marked "Confirmation" are the responsibility of the customer.

Credit

You are requested to enclose one bank reference and three trade references with your initial order.

Credit Cards

Versteel accepts Mastercard, Visa & AMEX credit card payment for invoiced sales. Credit card information must be presented along with the Sales Order (with a signed Credit Card Authorization Form attached). There is no cash discount extended to credit card orders. Credit cards will be charged at time of shipment. A processing fee will be applied for all credit card purchases. Processing fee will not be applied to GSA or contract orders. Versteel will not accept credit cards for payment of account balances.

Changes or Cancellation

Any change or cancellation to an order must be submitted in writing and confirmed by Versteel Customer Service before the change or cancellation is effective. Due to short lead times, any change or cancellation may result in charges if materials have entered the production process.

NOTE CHAIR ORDERS WITH COM UPHOLSTERY WILL BE SCHEDULED UPON RECEIPT OF COM UPHOLSTERY YARDAGE

Shipping

Normal delivery is on a dock-to-dock basis, F.O.B. Versteel's factory in Jasper, Indiana. Special requests such as inside delivery, "call before," etc. should be noted on the customer's purchase order and are subject to additional charges. See freight program on page 461 for shipping charges.

OH! ships disassembled and requires assembly.

Orders shipping outside of the contiguous 48 United States will have shipping quoted as a separate item.

FOB Origin, Freight Prepaid

Versteel
2332 Cathy Lane
Jasper, IN 47546

Shipping Damage Claims or Shortages

Legal title of merchandise passes to the buyer upon acceptance of the carrier. All cartons must be carefully inspected upon delivery. Visibly damaged product should not be accepted from the carrier until the damage is noted on delivery receipt. Versteel will not accept responsibility if the delivery receipt is signed as "clear". Retain any damaged goods and take photos for claim filing purposes. Details of visible damage should be noted on the delivery receipt. Shortages must be noted on the bill of lading prior to accepting the shipment.

Concealed Damage

If concealed damage is discovered, the receiver must notify the freight carrier within 5 business days from receipt of the product(s). For claim consideration the receiver must request an inspection of the damaged goods by the carrier. All damaged product and packaging should be retained and photos taken for claim filing use. Inspections must occur at the original delivery point to be considered for claim submittal. Reports of concealed damage after five business days will not be considered.

Partial Shipments

Versteel makes every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as product is ready, in an effort to get your order to you as quickly as possible. Invoices covering these shipments are to be paid as they become due.

Returns

No return merchandise will be accepted without Versteel's written consent and shipping instructions. Unauthorized returns will not be accepted.

Terms

Terms are 1%, 10 days, net 30 days from date of invoice.

Force Majeure

Versteel shall be excused from the duty to render timely performance of any obligation hereunder if such inability to perform is caused directly or indirectly by act of God, flood, war, riot, fire, accident, explosion, strikes or labor trouble, act of government, delay or default by a subcontractor or supplier of materials or services, transportation difficulty or delay, the existence of any circumstances making performance commercially impracticable or any other cause beyond Versteel's reasonable control. Buyer's obligation to make any payment due and owing to Versteel shall not be excused for any reason whatsoever.

Warranty

All table and seating products manufactured by Versteel are guaranteed by a Lifetime Warranty against defects in materials and workmanship from the date of purchase. Products manufactured/adapted for use in a Pavilion or Pop-Up setting are covered under a three (3) year warranty against defects in materials and workmanship from date of purchase.

Electrical items manufactured by Versteel are guaranteed against defect for a period of five (5) years from date of purchase.

Electrical items not manufactured by Versteel are covered by the manufacturers under their specified warranty.

Consumables such as gas cylinders, casters and glides are covered for a period of one (1) year. Adjustable height bases with crank and counterbalanced components are covered under a two (2) year warranty. Versteel will not cover labor costs associated with replacing the casters or glides.

Wood veneer is warranted for a period of ten (10) years. Natural variations in grain, color or texture of wood should not be construed as defects under this warranty.

Versteel will replace or repair (at our discretion) without cost to our customers any item manufactured by Versteel found to be defective as a result of defective material or workmanship and is still owned by the original purchaser. We will not, however, repair any item which is not properly installed, maintained, is abused or subject to any use other than that which was originally intended. Warranty does not cover normal wear and tear of the product, which is expected over the course of ownership. In no event shall liability under this warranty exceed the original purchase price.

Pavilion and Pop-Up products must be covered and out of direct sunlight. Use location must be a minimum of 100 miles from saltwater.

Warranty on plastic laminates, solid surface materials and upholstery is not covered by Versteel but is covered by each manufacturer under their specified warranty only. All foams, fabrics and vinyls are prone to stretch and loosen over time through normal use. This natural effect, called puddling, is covered for a period of one (1) year from the date of purchase.

There are no other warranties expressed or implied.

Care of Upholstery Surfaces

For Versteel standard fabrics and vinyls, consult the back of the appropriate swatch card for cleaning codes and any specific instructions. For COM materials, consult with the individual textile manufacturer for cleaning codes and any specific instructions pertaining to your particular fabric.

Care of Powder Coat and Polished Aluminum Surfaces

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface and follow with a clean, dry cloth to buff dry.

Care of Laminate Surfaces and PVC Edges

Clean with a mild soap solution and rinse with clean, clear water. Wipe the entire surface, moving with the pattern and follow with a clean, dry soft cloth. When a wood edge exists, follow instructions found under "Care of Wood Edges and Veneer Surfaces" for edge.

Care of Wood Edges and Veneer Surfaces

Clean all surfaces frequently with water-dampened soft cloth, moving the cloth with the grain direction. Quickly buff dry. Immediately remove any liquids that come in contact with wood surfaces using a blotting action to absorb liquid. Lift objects to move them. Never pull them across the finished surface.

For an additional safeguard, use a protective surface pad. Doing so could ensure a lasting finish by protecting your furniture from possible damage caused by pens and sharp objects.

Avoid exposing furniture to extreme heat and cold or to wide humidity variances. Avoid exposing furniture to strong sunlight. Do not use soaps, commercial cleaners or harsh solvents (nail polish remover, acetates, etc.) as they will cause finish deterioration. If using a protective glass top, place spacer pads under the glass top to allow the wood to breathe.

Care of Corian® Surfaces

Clean regularly with a cloth or sponge wrung out in warm soapy water. You can also use ammonia-based cleaners recommended for use on Corian® surfaces. Wipe up any water spills immediately so as not to leave a film that makes the finish look blotchy.

Quality Standards

All Versteel seating is constructed to pass the industry test standards set forth by BIFMA. For more detailed specifications by series, contact Versteel Customer Service at 800.876.2120.

Manufacturer certifies
that products meet or
exceed applicable
ANSI/BIFMA standards
and testing.

Configure

Utilizing basic components (a single leg, seat, back and connector) of polished, cast aluminum, OH! is simplistic in its approach to modularity. Legs are positioned for strength and stability while connectors are used to organize the seats into configurations. By using the connector, a set distance is established between individual seats to create personal space. Plush seats, along with a curved ergonomic back option, allow users to position their bodies without interfering with their neighbors. This ensures that everyone can find their own comfort solution. Seats are generously sized and proportioned.

Because the circle is the basis for the seating series it is possible to create an infinite number of configurations, as the designer is no longer bound by a corner. Typical OH! configurations include L, T, X and Y as well as unlimited numbers of runs, arcs and serpentines.

The use of the circle eliminates any sidedness to backless configurations. The addition of a back can be used to guide users to approach sides.

Tables

Tables can be inserted at any point of any configuration for optimum flexibility.

Upholstery

Upholstery may be specified in monochromatic (single textile choice) or contrasting applications (different textiles on different parts). No contact between upholstery surfaces makes for an easy to clean and more hygienic product.

**Power**

The Twine corded system offers mounted, and below-surface power and USB to multiple users in a range of settings. With just one infeed, this system can power up to six (6) Mini-Tap units.

Mini-Tap power can be added to any seat as an undermount option, or to any 24" diameter table as an integrated or undermount option.

Wires seamlessly run between seats via a concealed channel located on the underside of the connector.

Additional power and data can be added to any seat as an undermount option, or any table as an integrated or undermount option.

A. 15-Degree Arc **B.** 7.5-Degree Arc **C.** Combination Arc Serpentine

Large Configurations

Versteel will help with your configuration if you have concerns. Simply call Customer Service and provide the dimensions of your space and the type of configuration you desire. Like any other space planning, it is helpful to know where the power and data sources are, as well as windows, doors, any other obstructions and proposed traffic patterns.

All configurations are priced with powder coat frames and Grade 2/COM fabric. Tops are priced with standard laminate and PVC edges.

Seating, Table and Ottoman Specifications

Available in Polished Aluminum or any standard powder coat finish, OH! legs, back supports and connectors are one piece cast aluminum, polished to a high-gloss sheen.

NOTE TRANSPARENT POWDER COAT FINISHES ARE NOT AVAILABLE

Seats are machined 1" plywood with a multi-layered construction high density polyurethane molded foam cushion. Backs are molded .75" plywood with a multi-layered construction high density polyurethane foam cushion. Seats and backs are top stitched with single side seams.

Laminate or veneer table top surfaces are 1" particle board, Corian® table tops are 1" thick.

Manufacturer certifies that products conform to UL Std 962 and are certified to Canadian standard CSA.T.I.L No. A-30.

Laminate and Veneer, Standard Core Construction

The standard top construction consists of 45-50 lb particleboard, surfaced with a high pressure laminate or veneer face. A backer sheet is laminated to the under side of the top. Tops are shipped predrilled for field installation of bases and accessories.

Corian® Construction

Tops are 1" thick Corian® fabricated by bonding two .5" thick sheets together and machining them to size. The underside is bored to allow pressing in metal screw inserts for field installation of the legs and/or connectors.

PVC Flat Edge

Edge of 2mm PVC hot melt banded to the 1" top with $\frac{1}{4}$ " radius at the top and bottom.

Offered in twenty-one (21) standard colors.

Wood Flat Edge

Wood banding hot melt banded to the 1" top with $\frac{1}{8}$ " radius at the top and bottom.

Offered in Ash, Cherry, Maple or Walnut materials.

Corian® Eased Square Edge

A traditional 1" flat edge with a small radius where horizontal surfaces meet vertical for comfort and a softened aesthetic.

Offered in twelve (12) standard colors.

Standard Versteel Upholstery

Standard Versteel Upholstery offers a range of materials, from fabrics in a variety of colors and textures to vinyls for soil resistance. Please refer to Versteel's fabric cards, upholstery options pages in the All Seating price list, or the "Materials and Finishes" section of our website for reference information.

Grade-in Upholstery

Versteel has coordinated with upholstery manufacturers to simplify your order process. Many of the manufacturers' offerings have been pre-approved for application on Versteel Seating.

Contact Versteel Customer Service with your selected fabric choice to be graded in. They will supply you with the appropriate grade-in designator. On your purchase order, complete the information with the pattern name, color description and grade-in designator, and Versteel will take it from there.

Customer's Own Material

Customer's Own Materials (COM's) are not an issue on Versteel Seating. Many COM's are pre-approved for application on Versteel Seating. Call Versteel Customer Service with your COM selection to determine if it has been pre-approved. If your selection has not been pre-approved, reference the "Receiving COM Approval" section below.

Receiving COM Approval

Not all materials are suitable for upholstery on all chairs. A 12" X 12" memo sample must be supplied for approval before a COM material is accepted for an order. If the material is directional in pattern or weave, the pattern repeat (in inches) in both directions or the weave direction must be supplied.

Excess COM

Versteel will not store excess COM for more than 30 days after the order has been completed. If excess material is to be returned after order completion, send the request to Versteel Customer Service prior to acknowledge ship date. It is the customer's responsibility to arrange for the return of the material "freight collect."

Seat Accent Fabric

The OH! seat band may be specified in a different fabric than the rest of the unit. Specify and add \$357.00 list per unit.

Seat Accent Fabric SAF

COM Requiring Application Test

If an application test is required for your selected COM, send test sample material along with the following:

- Name and return address
- Chair model selected
- Sketch showing special requirements for the positioning of the material's pattern on the chair seat and chair back, if special considerations are required.

Ship COM to:

Versteel
2332 Cathy Lane
Jasper, IN 47546

COM must be shipped to the factory with transportation costs "prepaid." If material is considered defective or unusable, it will be returned "transportation collect."

For standard lead time orders, tag fabric with purchase order number and identify with project number if possible.

Application of Directional Fabrics

Due to the upholstering process, some fabrics not considered directional by the supplier may be considered directional by Versteel.

All COM's for OH! are railroaded unless otherwise directed by the customer (see illustration below).

EXAMPLE PATTERN CUT RAILROADED

If special cutting or upholstery application is required, you must indicate requirement at time of order entry.

Single Seam on Back

Side panel of back is sewn with a single seam, positioned at the bottom.

**Single Seam on Seat**

Side panel of seat is sewn with a single seam, positioned at the rear.

Patterned COM Additional Yardage Guide

Use the guide below to aid in ordering the appropriate COM fabric when needing to match a pattern with a repeat. To use this guide, add the vertical and horizontal repeats together (e.g. a 5" vertical repeat plus an 11" horizontal repeat gives a 16" total). Then find the appropriate entry on the chart, and increase the yardage estimate by the percentage indicated.

For example: The yardage estimate is 8 yards of 54" wide fabric and the pattern has a repeat of 11" horizontal and 5" vertical. Add up the repeats ($11" + 5" = 16"$) and find the appropriate entry - 15% in this example. Fifteen percent more fabric is required to match the pattern. 8 yards plus an extra 15% in 9.2 yards.

Fabric Width	Plain Fabric	3" - 14" Repeat	15" - 19" Repeat	20" - 27" Repeat	28" - 36" Repeat	37" - 45" Repeat	46" - 54" Repeat
54"	0%	10%	15%	20%	25%	30%	35%
50" - 52"	10%	20%	25%	30%	35%	40%	45%

Decorative Patterns

Yardage requirements are greatly affected by the size of the repeat and the print or pattern of the material. Versteel cuts all seating patterns with aesthetic concerns in mind for high quality and consistency. Refer to the COM listing for the yardage required for pattern repeat.

Repeats and Striped Fabrics

The geometry of curved products prevents repeats and stripes from matching at the seams.

California Technical Bulletin 133 (CAL 133)

Compliance has been established through third-party testing of the products. All chairs that meet CAL 133 standards will have a label attached to the underside of the seat. To maintain compliance, the label must not be removed for the product.

OH! COM Yardage Requirements

COM yardage requirements are calculated based on a material width of 54" and a repeat of 2" or less. For material less than 54" wide, contact Versteel for yardage requirements. Use the chart below as a guide to calculate your COM yardage. For quantities greater than 10, contact Versteel Customer Service for calculation of COM yardage by chair model.

NOTE THIS CHART IS NOT APPLICABLE FOR MULTIPLE FABRICS ON ONE UNIT. CONTACT VERSTEEL CUSTOMER SERVICE FOR YARDAGE REQUIREMENTS WHEN SPECIFYING MULTIPLE FABRICS.

Premium Powder Coats (indicated by )

Versteel's premium process uses specially formulated powder coats for a truly unique color palette.

Powder Coat Alternative**Call for quotation**

Specify code **OPA** (Powder Coat Alternative), add cost from Versteel quotation

Powder Coat Alternatives are available from Versteel. The entire RAL color reference along with hundreds of other colors and finishes are available.

For Powder Coat Alternative matching, you must supply a color reference sample, or an RAL number. Versteel will review the sample for possible existing colors available and send a sample for customer approval. If no color match exists, a custom match can be developed. Call Versteel Customer Service for associated upcharges on custom color development.

NOTE CUSTOM COLOR MATCHING APPROVALS MAY AFFECT STANDARD PRODUCTION SCHEDULES

Polished Aluminum

One piece cast aluminum legs, back supports and connectors are polished to a high gloss sheen.

Polished AluminumAPOL

NOTE POLISHED ALUMINUM IS NOT AVAILABLE ON THE PULL UP TABLE

Chrome (available on Pull Up Table only)

Versteel applies a deep luster nickel chrome plated finish. Chrome is the most durable finish available. Specify and add \$218 list each.

Chrome ECHR

Laminate

Versteel's standard offering of laminates includes over 900 laminates from Formica, Nevamar, Pionite and Wilsonart.

Laminate manufacturers change standard offerings frequently, making it possible a standard product can become unavailable. Versteel cannot be responsible for any inconvenience this may cause.

PVC Edges

OH! laminate table edges are available with a PVC Edge.

- PVC provides hot melt application in a continuous band around the surface.

OH! PVC Edge Colors

Absolute Acajou CABA	Nimbus CNIM

120	120" cord length, black	\$ 20 list

Model Example: MTP-IP2X-72

Utilizing the Twine corded system up to six (6) power accessories can be sequenced with one infeed cord. Refer to diagrams and ordering information below.

NOTE: Additional configurations are available. Contact Versteel Customer Service with questions.

SPECIFICATIONS

- Finish: Black plastic
- Power & USB
- Up to 8 power outlets with multiple USB ports
- 6' power infeed cord

Above diagram shows the recommended location of sequenced under mount power units. Electrical units are shipped uninstalled and may be placed in alternate locations.

Garcia (USB only)

Model	Description	
OHGA51	Two (2) USB ports (per unit)	\$ 650 list

SPECIFICATIONS (per unit)

- Two (2) USB ports
- LED charging indicator lights

Unit Color

BB	Black with Black Mounting Bracket	n/c
WW	White with White Mounting Bracket	n/c

Model Example: OHGA51-WW

Mini-Tap (power or power/USB)

Model	Description	
OHMTPP51	Two (2) power (per unit)	\$ 502 list
OHMTPU51	One (1) power and one (1) dual port USB charger (per unit)	\$ 938 list

SPECIFICATIONS (per unit)

- Two (2) simplexes
- Available with spill-proof Simplexes

Model Example: OHMTPU51

Above diagram shows the recommended location of sequenced under mount power units. Electrical units are shipped uninstalled and may be placed in alternate locations.

Garcia (USB only)

Model	Description	
OHGA78	Two (2) USB ports (per unit)	\$ 873 list

SPECIFICATIONS (per unit)

- Two (2) USB ports
- LED charging indicator lights

Unit Color

BB	Black with Black Mounting Bracket	n/c
WW	White with White Mounting Bracket	n/c

Model Example: OHGA78-BB

Mini-Tap (power or power/USB)

Model	Description	
OHMTPP78	Two (2) power (per unit)	\$ 514 list
OHMTPU78	One (1) power and one (1) dual port USB charger (per unit)	\$ 953 list

SPECIFICATIONS (per unit)

- Two (2) simplexes
- Available with spill-proof Simplexes

Model Example: OHMTPU78

Mini-Tap (power or power/USB)

Model	Description	
OHMTPP51	Two (2) power (per unit)	\$ 502 list
OHMTPU51	One (1) power and one (1) dual port USB charger (per unit)	\$ 938 list

SPECIFICATIONS (per unit)

- Two (2) simplexes
- Available with spill-proof Simplexes

Model Example: OHMTPU51

Above diagram shows the recommended location of sequenced under mount power units. Electrical units are shipped uninstalled and may be placed in alternate locations.

Garcia (USB only)

Model	Description	
OHGAI05	Two (2) USB ports (per unit)	\$ 911 list

SPECIFICATIONS (per unit)

- Two (2), 2.1 Amp USB ports
- LED charging indicator lights

Unit Color

BB	Black with Black Mounting Bracket	n/c
WW	White with White Mounting Bracket	n/c

Model Example: OHGAI05-BB

Mini-Tap (power or power/USB)

Model	Description	
OHMTPPI05	Two (2) power (per unit)	\$ 555 list
OHMTPUI05	One (1) power and one (1) dual port USB charger (per unit)	\$ 992 list

SPECIFICATIONS (per unit)

- Two (2), simplexes
- Available with spill-proof Simplexes

Model Example: OHMTPU105
