Note: Training tables are often used with lightweight computer accessories. For heavy duty applications, such as large scale computer equipment, multiple monitor mounts, etc. Versteel suggests adding a third leg or stretcher. Contact Customer Service if you have specific application concerns or questions.

Note: Training tables are often used with lightweight computer accessories. For heavy duty applications, such as large scale computer equipment, multiple monitor mounts, etc. Versteel suggests adding a third leg or stretcher. Contact Customer Service if you have specific application concerns or questions.

Note: Training tables are often used with lightweight computer accessories. For heavy duty applications, such as large scale computer equipment, multiple monitor mounts, etc. Versteel suggests adding a third leg or stretcher. The price of the 84", 90" and 96" models include a stretcher rail required for additional support.
